

sources/Models/Vector2.hpp

```
graph TD; A[sources/Models/Vector2.hpp] --> B[ostream]; A --> C[SFML/System/Vector2.hpp];
```

The diagram illustrates the dependencies of the file `sources/Models/Vector2.hpp`. It is represented as a box at the top with two arrows pointing downwards to two other boxes: `ostream` on the left and `SFML/System/Vector2.hpp` on the right.
